FREQUENTLY ASKED QUESTIONS

How can I modify my e-Ticket?

You must enter the system through the consultation option. It will show you a button that enables the editable form.

After completing - Is it possible to add more people to the same form?

Yes, you can add people to your e-Ticket using the modification option.

How can I delete an additional form added by mistake when indicating the number of companions?

You can remove additional passengers during the creation of the e-Ticket using the remove button.

IMPORTANT

The e-Eticket can only be modified up to one day before the flight date indicated in the form.

If you have already completed an e-Ticket and cannot modify it, you can create another one without any inconvenience, only the last one created will be validated.

A single QR code is valid for all individuals whose information is in the document generated upon completing their e-Ticket.

THE E-TICKET SERVICE IS COMPLETELY FREE through the official website
